## A little about us

Hot Craft Wings, Cold Craft Beer. Simple. Since 2003, Wing Hut has been listening to what our customers want and we hear you - flavorful wings, comfortable environment and refreshing beverages. With over 30 flavors of wings, there is a favorite for every palate whether it is our popular honey hot Bee Sting or our peppery dry rub Cajun.

Because Wing Hut is a family owned and operated restaurant, we know the importance of supporting the locals. With our new beer license it was not a difficult decision to support our craft beer community with a Colorado focused beer list.

Not in the mood to drive here? We are delivering to our neighbors! Check out our website for more details and a map of our area at [WingHutAurora.com](http://WingHutAurora.com).

Current Riddle: #101

The person who makes it, doesn't want it.

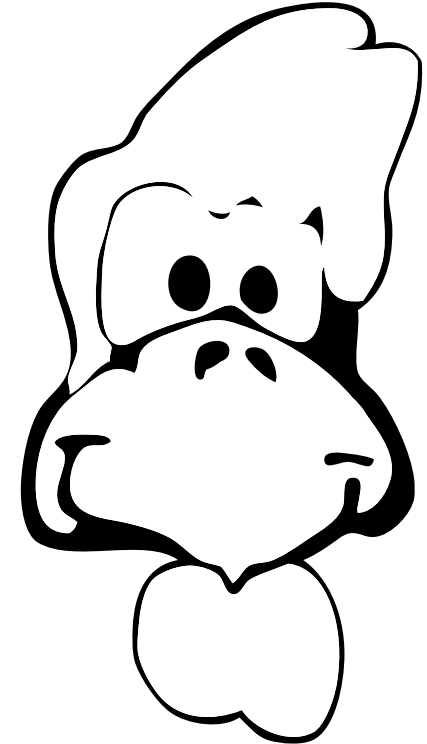

The person who buys it doesn't use it.

The person who uses it doesn't see it.

What is it? The answer is hidden in our website!
